GALA SHOWCASE #3

Class/Choreographer	Dance Title	Students
Senior Contemporary - Ms Natalie In collaboration with dancers Agatha B, Sophia C, Katea D, Tamara D, Gabriella G, Elizabeth H, Sabrina L, Dani M, River M, Kate M, Alexandria S, Samantha T Light explores the many ways we carry and share light throughout our lives. Through three interconnected sections, the work begins by examining light as both comfort and exposure—revealing what was hidden, unsettling what feels safe, and drawing us out of darkness. It then reflects on the unique light each person brings: a flicker, a steady glow, a spark, or a beacon. Inspired by the changing qualities of light throughout the day and our shared human experience, the piece concludes with the passing of light from one person to another, reminding us that while our own light may change, its impact continues beyond us.

Learn About Us!

Back in 1994, Thrive Dance Studio (originally the North Otter Society of Performing Arts) began as an after-school program at North Otter Elementary, founded by Cinda Herndl. This season, we are proud to celebrate 30 years of inspiring a love of dance, nurturing growth, and creating a community where generations of dancers have found confidence, connection, and belonging.

At Thrive, we believe dance is about more than steps—it is about discovering who you are, embracing creativity, building resilience, and becoming the best version of yourself. Through the dedication of our passionate teachers, supportive families, and incredible students, we have grown into a dance family where every dancer feels seen, valued, encouraged, and inspired.

Together, we THRIVE.

A MESSAGE FROM THE DIRECTORS

As we conclude another amazing season at Thrive Dance Studio, we want to extend our heartfelt gratitude for your unwavering support. Your enthusiasm and encouragement fuel our passion for dance and drive us to create!

It is with many hours of dedication and hard work that these shows are possible and we would like to thank all of our students, teachers, volunteers, teacher's assistants, our killer Admin Team, and the Thrive Dance Society.

Congrats to our dancers whom we are endlessly proud of and our graduates who we will miss beyond comprehension.

We look forward to many more seasons of dance, growth, and shared joy.
